Subject Acquisition of certain properties in Lalbagh Fort Road, 18th Division, Bangalore City, for widening the road, removing the slums etc

---

With reference to the Government notification No 13154 C M 6-53-104 dated 9th January 1954 authorising me to hear objections under section 5 (A) Land Acquisition Act on the above subject, I write to state that notices under section 4 Land Acquisition Act were issued and served on the respective parties calling for objections under section 5 (A)

In response, the marginally noted persons have filed petitions and stated as follows -

1 D Subba Rao, 2 K Munibasappa and 3 M H Muniswamy

(1) Sri D Subba Rao owner of item No 4 in the notification has stated in his petition dated 10-2-54 that he has no objection for his land being acquired for a public purpose, since the land is situated in an important place, he may be paid compensation at a higher rate

(2) Sri K Munibasappa owner of Door No 17 (item No 2) in his petitions dated 11-2-54 and 13-2-54 has stated that if the width of 14 ft is acquired the alignment of the buildings on the road will not be in a straight line to keep the alignment only 6 ft of land may be acquired

(3) Sri M H Muniswamy owner of Door No 16-1 (item No 1) in his petition dated 12-2-54 has stated that the land measuring 40' x 14' now proposed to be acquired from his property does not come under the existing building line of his adjoining property, after spot inspection only a portion measuring 40' x 7' may be acquired for the intended purpose

On receipt of the above objection petitions, I inspected the spot along with the Corporation Engineer on 1st March 1954 The objections of the parties were also heard As there is heavy traffic in the road, the proposed width of 14 ft cannot be reduced to 7 ft as requested by the parties The objections of the parties are therefore not tenable in this case

The draft final declaration statements have been prepared and enclosed herewith for favour of kindly arranging publication in the official gazette

The estimated cost of acquisition amounting to Rs.2,947/- as per revised valuation statement prepared by the Corporation Engine will be met out of the Corporation funds in the current year's budget allotment

I request that sanction of Government may kindly be obtained for the acquisition of this scheme authorising me to take order for the acquisition of the said portions of properties under section 7 Land Acquisition Act

The Compiler, Mysore Gazette may be requested to send 25 spare copies of notifications of each set to this office as usual

Forwarded with compliments
